DETAILED ACTION

- This action is responsive to the following communication: RCE filed on 9/7/06.
- Claims 2, and 19-44 have been canceled; claims 1, and 3-18 are allowed.

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 9/7/06 has been entered.

Response to Arguments

Applicant's arguments, see pages 6-7, filed 9/7/06, with respect to claims 1 & 5 have been fully considered and are persuasive. The prior arts rejection under 103(a) of claims 1 & 5 has been withdrawn.

Allowable Subject Matter

Claims 1, and 3-18 are allowed; renumbered as claims 1-17.

The following is an examiner's statement of reasons for allowance: The cited prior arts (US 6137590 to Mori and US 6330976 to Dymetman) of record teach a printing system for printing coded data on a print media for the purpose of identification but the cited prior arts of record fail to teach and/or suggest generating image data for printing photograph and tag image data for printing a plurality of ***location-indicating tags*** with said photograph, wherein the tag image data is generated by coded data generator in the printer using the photograph identification code and in combinations of other features as cited in independent claims 1 & 5 (renumbered as claim 1 & 4 respectively). The examiner found neither prior art cited in its entirety, nor based on the prior art, found any motivation to combine any of prior arts that teaches the above limitations and in combinations of other features cited in claims 1 & 5 (renumbered as claims 1 & 4 respectively).

Art Unit: 2625

Conclusion

- Claim 8 has been amended by the Examiner's amendment due to minor typographical error. Unamended claim 8 is originally dependent upon canceled claim 2, therefore, the examiner is herein amended claim 8 to depend upon independent claim 1 in order to eliminate such error.
